

Get the M.O.S.T.TM My Outsourced Sales Team

A Different Model of Sales Outsourcing... A Better Model for Getting Results

Sales is not only a crucial part of any growing business, it is the most sensitive. You need a solution that fits your business, understands your industry, can deliver quality results and meets your budget. The answer you're looking for is a dedicated outsourced sales team by VONCORE. With the M.O.S.T., which stands for My Outsourced Sales Team, we help you develop a high caliber sales team that can deliver your message, make the calls, and get the leads, appointments or exposure you need. A team that works for your business and your business alone quickly evolving, learning and mastering your sale. This is a different model for sales outsourcing. It is a better model for getting results.

High Caliber Sales Team

We seek out some of the best talent from a variety of industries that match your need. Most of our agents already come from a seasoned sales background and a track record to show-case. VONCORE constantly attracts this talent and is excited to make these individuals a part of your team.

Global Resources Mean Faster ROI

Offshore outsourcing delivers the talent for the right price. We are dedicated to maximizing value for our clients with exceptional results and financial performance.

Instant Coffee, Get Launched Quickly!

We get your team up and running quickly with our read-to-go infrastructure. Our facilities are prepared with workstations, VOIP lines, dialers and a full management, training & IT staff to get your MOST department producing quickly.

Special Skills & Multi-lingual Support

Our recruiting team is waiting for its next challenge. Your challenge. We've staffed departments with sales agents, industry specialists, technical experts and even bi-lingual agents. Today, VONCORE serves over 6 languages including Dutch, Norwegian, Swedish, German, Spanish and, of course, English.

One-Stop Shop

Many VONCORE clients have selected us because we are a true one-stop shop for custom outsourcing. For example, many have gone beyond their MOST sales teams to develop other custom departments for their business such as article writing teams for SEO purposes, software development groups and market research

Client Perspective

"I didn't think it was possible at first but in only a few months, Our MOST team has grown from two to over a dozen sales agents with VONCORE. Developing leads and appointments for the insurance industry is tough business. Today, I outpace my competitors in both productivity and costs as my team generates one lead per-hour per-sales agent! Thank you VONCORE!"
